A few words about us...

The Vineyards

Our vineyards are located in Nea Karyes, Larissa, on steep limestone clayey slopes, the altitude of which is from 140m to 160m.

The microclimate of the area is characterized by heavy rainfall and low temperatures in winter, while in spring and summer there are high temperatures and prolonged drought, which helps us implement organic cultivation methods in our vineyards.

Since 2006, viticulture has been under organic management regime (BIO HELLAS certification).

Planting density is 410 per acre and yields from 2kg to 3kg per tree. The total area of the vineyards is 50 acres, divided into two plots of 24 and 26 acres respectively.

The Facilities

The winery is fully equipped with stainless steel fermentation tanks of various dimensions, which control the fermentation temperature for both white and red vinification.

It includes the necessary machinery such as pneumatic presses, labeling, capping machines and a fully equipped oenological laboratory for the necessary analysis of wines.

In the basement of the winery aging barrels of a 225 lt capacity are kept (made of French and American oak), as well as the wine aging bottles.

Since 2019 and after two years of experimentation, we have been making alcoholic fermentations of our wines using their own natural wild cultures grown in our own vineyards. The result of this endeavour is a unique, tasty and aromatic complexity.

From 2021 we work with the Certification Body Libero Assurance to achieve Vegan certification.

This is part of our philosophy of mild intervention wines from organic grapes. At all stages of production, no substances of animal origin are used. This selection aims to enable everyone, regardless of dietary habits, to enjoy our wines.

DRY WINES

KARYOS GAEA WHITE
VARIETAL WINE
 DRY WHITE
 — 750ml

Sauvignon Blanc

Shiny, crystal clear, slightly greenish shades and yellowish color. A bold and rich nose, typical of this variety, with citrus, peach and melon aromas at the end. A full taste in the mouth with excellent balance and finesse. Its vibrant but elegant acidity finely complements the taste intensity and contributes to the long stay of the aromas.

SERVED AT 10-12 °C

KARYOS GAEA ROSÉ
VARIETAL WINE
 DRY ROSE
 — 750ml

Limniona

A rose wine that would like to have been born red. It is produced with the combination of two distinct Greek varieties, Limniona and Agiorgitiko. Produced by the bleeding process, where the grape marcs stay in the fermentation extraction phase for about eight hours, until the desired color potential is developed. In rose color, with iridescent highlights. Its nose offers an aromatic palette of notes of cherry, wild strawberry, rose and butter caramel. A wine with distinctive acidity and expressive aftertaste.

SERVED AT 10-12 °C

KARYOS GAEA RED
VARIETAL WINE
 DRY RED
 — 750ml

Agiorgitiko, Limniona

Wine of a deep purple color. Aged for a year in oak barrels and kept in its bottles for one more year. Its nose offers a complex and pure aroma of ripe red fruit, cedar, chocolate, caramel, with notes of spices at the finish. With a rich body, intense and exuberant taste, balanced acidity and well-seasoned tannins that deliver a long aftertaste and a great aging potential.

SERVED AT 18-20 °C

SPARKLING WINES

FRUITS OF THE FOREST
VARIETAL WINE
 ROSÉ SWEET SPARKLING
 — 750ml

Limniona

An unparalleled blend of pungent, fruity aromas of woods and flowers. The result is a well-made sweet sparkling wine that will pleasantly surprise you!

SERVED AT 10-12 °C

SIXTH SENSE
VARIETAL WINE
 BRUT SPARKLING
 — 750ml

Muscat of Alexandria

Look: Lemon coloured with golden hues.

Taste: Discreet with natural acidity.

Smell: Primary grape aromas.

Hearing: Moderate bubble bursts.

Touch: Tickling on the tongue and palate.

The result of all the above sensual combinations is this particular wine with its distinctive personality.

SERVED AT 10-12 °C

RAINBOW FEELING
VARIETAL WINE
 NATURAL SEMI-SWEET SPARKLING
 — 750ml

Black Muscat of Tirnavos

A cool, light, cheerful, semi-sparkling wine. With an alcohol content of 6,5%. Its color is light pink. On the nose it gives natural aromas of roses and white flowers. In the mouth it tastes rich and harmonious with a discreet acidity, pleasant and exuberant taste, accompanied by a gentle foam. It is served frozen, accompanied by a number of gastronomic options or alone at any time of the day.

Ideal for parties and events!

AGED WINES

CHARDONNAY OAK

VARIETAL WINE
DRY WHITE
— 750ml

Chardonnay

A unique "encounter" where oak elements embrace Chardonnay's original floral and fruity aromas. The alcoholic fermentation takes place in French 500 liter Ermitage barrels, where the wine stays for 6 months in the presence of the lees. It is characterized by complexity and intensity in the nose, where vanilla, nuts and tobacco aromas "blend" with exotic fruit and citrus flavors. Its acidity is balanced and harmonized with the whole. Its long-lasting fruity aftertaste blends beautifully and sweetly with the oak.

SERVED AT 10-12 °C

MELIRROS

VARIETAL WINE
NATURALLY SWEET
— 500ml

Black Muscat of Tirnavos

It comes from sun-dried grapes of the Muscat Black variety, cultivated in the fertile and warm Thessalian land. It is a wonderful sweet wine that locks in the sun and flavours, courtesy of its natural way of dehydration and its stay in oak barrels for two years. A well-made dessert wine with an identity, with the typical name Melirros.

SERVED AT 10-12 °C

VINTAGE

VARIETAL WINE
DRY RED
— 750ml

Cabernet Sauvignon,
Agiorgitiko, Xinomavro

An exuberant red wine, which has been through a four-year maturing process and is made with the three varieties of Cabernet Sauvignon, Agiorgitiko and Xinomavro. It is aged in oak barrels for two years and in bottles for another two years. It is characterized by a bold, deep red color and complex and spicy aromas of ripe fruit and vanilla. Rich and full in the mouth with ripe tannins and a long aftertaste. A noble wine with a rich character and delicious complexity. The possible presence of sediment is due to the natural way of obtaining wine clarity and its long maturing process.

SERVED AT 18-20 °C

WINES IN BAGS

WHITE DRY WINE

VARIETAL WINE

Chardonnay & Alexandria Muscat

Quality wine that offers a multitude of gastronomic options. Bright yellowish color. Intense fruity aroma of ripe fruit, with subtle acidity and a pleasant aftertaste.

SERVED AT 8-10°C

ROSÉ DRY WINE

VARIETAL WINE

Cabernet Sauvignon, Merlot & Agiorgitiko

A rosé wine that wanted to be born red. Produced by the process of bleeding. Color of the rose flower. Fruity nose, with rich aromatic expression. Discreet acidity with an expressive aftertaste.

SERVED AT 8-10°C

ROSÉ SEMI-SWEET WINE

VARIETAL WINE

Chardonnay & Moschato of Tirnavos

A semi-sweet wine with natural unleavened sugars. The Chardonnay variety gives this wine its body and the Muscat of Tyrnavos gives it its distinctive aroma. It is characterized by rich aromatic potential, natural sweetness and balanced acidity.

SERVED AT 8-10 °C

RED DRY WINE

VARIETAL WINE

Cabernet Sauvignon, Merlot & Agiorgitiko

Quality wine that offers a multitude of gastronomic options. Deep clear red color with crimson highlights. With aromas of red fruits and spices, an intense bouquet and flavors of vanilla and dried fruits. It ages in oak barrels for a year. A wine with a rich body, balanced acidity, soft tannins and a long aftertaste.

SERVED AT 15-18°C

SPIRITS

ALCHEMIST

— 700ml

A natural double distillation spirit, made from organic grapes infused with extracts of essential oils of citrus, mint and cinnamon.

Ageing in oak barrels for two years, it acquires a complex botanical, attractive and spice character.

Dark orange in color, with ripe fruity aromas of citrus, fire nuts, vanilla, chocolate and caramel. With a rich and spicy aftertaste.

With an alcoholic strength of 43% alc.b.vol it can be savored with ice.

LABYRINTH

— 700ml

A natural double distillation spirit, made from organic grapes of the Black Muscat of Tyrnavos variety, which ages in oak barrels for two years.

Its ageing changes the character of the spirit, giving it fine aromas, a strong aftertaste and a rich taste.

It is characterized by spicy aromas of vanilla, chocolate, tobacco and clove.

With an alcoholic strength of 40% alc.b.vol it can be savored alone or with ice.
